

TRUTH ABOUT TRADE & TECHNOLOGY 2010

Key Highlights in 2010:

- **Biodiversity Town Hall** – panel of 3 Global Farmer Network members and US Sec. of Agriculture Vilsack, moderated by Orion Samuelson
- **World Food Prize Luncheon** – hosted with CropLife, featuring keynote by Dr. Robert Paarlberg and Kleckner Trade & Technology Advancement Award presentation
- **Kleckner Trade & Technology Advancement Award** – Gabriela Cruz (Portugal) fourth recipient, effective and recognized spokesperson for biotech and conservation
- **Global Farmer to Farmer Roundtable** – 5th annual event during World Food Prize
- **Major International Media** – editorials in Wall Street Journal Asia and Europe
- **TATT is Global** – Global Farmer Network now regular columnists and event speakers and panelists; BIO 2010, EuropaBio, World Food Prize Borlaug Symposium panelists, and more...
- **TATT Trade Tracker** – regular update on global activity and critical news

Coming in 2011:

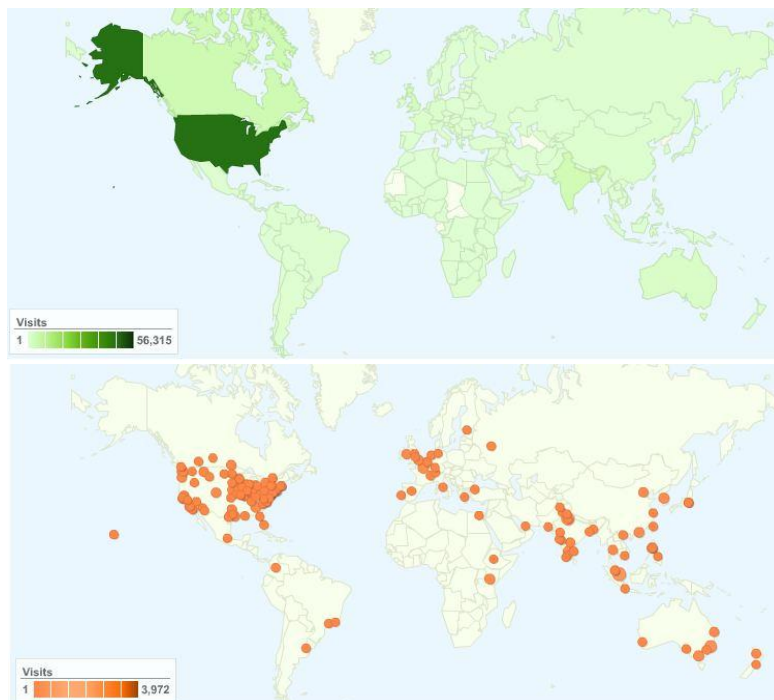

Book – ‘The Food Security Reader: The Best of Truth About Trade & Technology’

Social Media – expanding Twitter and Facebook usage and outreach

Global Farmer Network – build out the network of writing, speaking, media placement

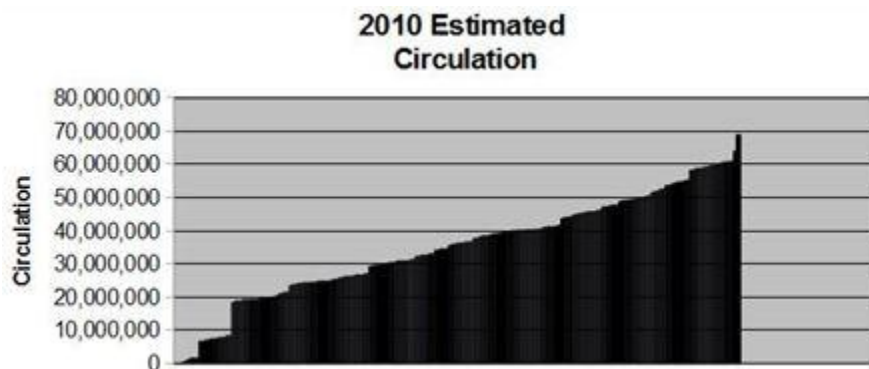

2012 Presidential Candidate Trade Tracker – what are candidates saying about trade

WEBSITE ACTIVITY – 2010

- **There's an App for That** – TATT podcast, iPhone and mobile apps
- **Social Media** – growing TATT Facebook and Twitter usage
- **Global Presence** – viewed in 190 countries and dozens of languages used
- **Biotech Acreage Counters** – unique planting and harvesting counters roll on...

MEDIA ACTIVITY

ABC Rural Report (Australia) - 'Farming versus mining debate makes progress' quoted Jeff Bidstrup June 17.

The African Executive - 'Biotechnology is Good for Africa' by Michael Allen (S. Africa) appeared in Issue 276 dated Aug. 4-11, 2010.

AgBioView - Aug. 5 edition had 'Biotechnology is Good for Africa' by Michael Allen (S. Africa) from The African Executive; Aug. 9 edition 'GM Crops: Engine of Economic Mobility' by Rosalie Ellasus (Philippines), and the Aug. 10 edition 'Wanted: A Few Good Books' by Mary Boote.

The Age (Australia) - 'Farmers, miners debate heads for Roma' July 22 quoted Jeff Bidstrup.

Aggie Nation, Colorado State University - the May 2010 edition included the Colorado State Agribusiness Association visiting Ted Sheely's farm in Leemore, California.

AgProfessional.com - Ross Korves analysis 'The Russian Wheat Crop and the World Wheat Market' posted Aug. 11.

Agri-Pulse - Apr. 7 quoted Dr. Robert Thompson (TATT Global Roundtable moderator) for Open Mic interview and lead story 'In Japan, Secretary Vilsack focuses on world hunger, trade expansion'.

AgroNews (Canada) - Korves analysis 'Biotech Cotton in Burkina Faso' posted May 11.

Ag News at a Glance - requested to use John Reifsteck's 'Cooperating to Feed America and the World' in April edition distributed in Montana.

AgriMarketing - the forward of March 2010 edition was 'The "Second Green Revolution"' - editor used an outtake of Rosalie Ellasus' recent column (Take It To The Farmers, Feb. 5)

AgBioView - EuropaBio Press Release 'Joint Spanish, Romanian and Portuguese delegation calls for fairer access to GM Crops and technologies' included a quote from Gabriela Cruz July 12.

AgBioView - eLetter Feb. 11 included 'India's Genetically Modified Mistake' by Rajesh Kumar.

AgBioView - Dec. 1 update had Jim McCarthy's Wall Street Journal Europe commentary.

AgroWashington - Fall 2010 edition Editor's Note quoted Kleckner's Oct. 25 Washington Times commentary.

AgWired - 'Gabriela Cruz presented Kleckner Trade & Technology Advancement Award' Oct. 13 (audio interview included); 'Learning About Global Farmer Challenges' Oct. 12; 'TATT Global Farmer Roundtable Tours ISU Seed Science Center' Oct. 12; 'Time for an International AgChat Foundation?' Oct. 19; TATT Global Farmer to Farmer photo album.

AgWired - 'HSUS Lays An Egg In Iowa' Apr. 7 featured Kleckner's column from same date in Des Moines Register.

Ames Tribune - 'Vilsack to speak at meeting at ISU' Oct. 5 on the Biodiversity World Tour.

Associated Press - 'Not so corny: Facebook game lets users play farmer' Jan. 25 quoted John Reifsteck column - widespread national and international distribution.

The Australian - 'Methane bonanza not for all' on Mar. 13 quoted Jeff Bidstrup.

BBC (UK) - documentary crew visited the California farm of Ted Sheely in late August. The project follows the ingredients for a pizza delivery order in New York City.

Beyond The Bean - United Soybean Board magazine cover story 'Adding Up the Numbers: Growing population challenges U.S. farmers' quoted Dr. Robert Thompson and included a photo of him moderating the TATT 2009 Global Farmer to Farmer Roundtable.

Brownfield Ag News - 'Farmers on GMO international issues' posted Oct. 14 with audio.

Brownfield Ag News - Tim Burrack interviewed (audio) May 6 for 'Battling the misconceptions about high-fructose corn syrup'.

California Farm Bureau Federation - 'Smartphone apps give farmers new options in the field' on Nov. 24 quoted Ted Sheely.

The Chronicle (Australia) - 'Discussion paper on land' on Feb. 12 quoted Jeff Bidstrup.

Clarín (Argentina) - Roberto Peiretti article 'Pensando la alimentaci'on del mundo' Nov. 6 edition of the country's largest newspaper.

Today@Colorado State - June 12 edition had 'Agribusiness students take tour through California' and picture of school's Agribusiness Association visit to Ted Sheely farm in Leemore, California.

Corn Commentary - audio and video included on these pages: 'Portuguese farmer receives award' Oct. 14; 'High productivity agriculture necessary for sustainability' Oct. 19; 'Global Farmer to Farmer Roundtable' Oct. 12; 'Putting Global Farmers Together' Oct. 12; 'NCGA Board Member Talks Global Farming' Oct. 12; "Growing Corn, Feeding Cattle and Producing Ethanol" Oct. 13.

Corn & Soybean Digest - 'Farmers up to challenge of feeding 9.1 billion people, following Borlaug's footsteps' Oct. 14.

Crain's Chicago Business - Aug. 6 piece 'Amoco Alums take on Big Oil by turning crops into petrochemicals' quoted Ross Korves.

CropLife.com - 'A Salute to ERA' referenced John Reifsteck in the July 2010 edition.

Des Moines Register - 'Report questions cellulosic ethanol merits' Nov. 14 quoted Bill Horan and Carol Keiser; respectively sit on and chair 10-member advisory panel to USDA.

Des Moines Register - 'Farmers from around the world talk about agriculture in their home countries' Oct. 15.

Des Moines Register - 'Cage-free eggs not all they are cracked up to be' by Dean Kleckner Apr. 7 (same day Humane Society held press conference in Des Moines).

Des Moines Register - Tim Burrack guest opinion 'Passing trade agreements will create U.S. jobs' Aug. 3.

Des Moines Register - Horan letter to editor 'Atrazine has been studied enough now' July 30.

Des Moines Register - 'Farmers choose to plant biotech crops' letter to the editor by Mary Boote Mar. 27 responded to Mar. 20 'Colonialism Lives in Biotech Seed Proposal for Africa'.

Des Moines Register - 'Ankeny forum to examine agricultural concentration' on Mar. 12 quoted Dean Kleckner on the first joint hearing of the U.S Departments of Justice and Agriculture.

Des Moines Register - 'Snow brings a wrinkle to farm-runoff worries' Feb. 14 quoted Tim Burrack.

Diário de Notícias, Opiniao (Portugal) - Gabriela Cruz column Biotecnologia na Agricultura Aug. 12.

Domestic Fuel - "Cattle and ethanol producer hosts international farmers" October 14.

DTN / Progressive Farmer - 'On sustainable ag and biodiversity' by Ag Policy Editor, Chris Clayton Oct. 12 covered the Biodiversity Town Hall at Iowa State University.

The Economist - Global Farmer Network members contributed to the online debate about biotechnology hosted by the publication.

EuropaBio - Rosalie Ellasus quoted Oct. 26 in press release 'Global farmers ask: Why are European farmers not allowed to take advantage of agricultural innovations?'

Farm Futures - January 2010 edition included 'Which technologies work best?' based on interviews and dialogue from the 2009 Global Farmer to Farmer Roundtable.

Farm Journal - 'The Hungry Dragon' posted Jan. 31 about the Chinese food economy quoted Ross Korves.

Farm News - '2010 crop outlook - Growing season looks like '09' from Feb. 26 included coverage of Bill Horan speaking on his family operation.

Farm Press - Forrest Laws interviewed 2010 Kleckner Award recipient Gabriela Cruz, 'Sustainability and biotech crops in Europe' Oct. 15 and video 'Seeking tools for sustainability'.

Farm Press - Ted Sheely column "Strangulation by regulation" published October 11.

Farm Press - 'Growing the Economy' by Bill Horan Sept. 10.

Farms.com - posted 'The Mexican Corn Market' by Ross Korves Sept. 23.

FarmWeek - Carol Keiser's 'A Good Dose of Judgement Needed' in Jan. 18 edition.

Farm Weekly / Stock Journal (Australia) - Jeff Bidstrup posted a comment to the story 'GM superweeds claim denied' Jan. 29.

FarmWeekNow.com - Illinois Farm Bureau quoted Dean Kleckner in 'Administration sending mixed trade signals?' June 30.

Newspapers of Fayette County - Tim Burrack mentioned Aug. 12 in 'FB president urges: join rural renaissance'; he asked about Humane Society of the United States (HSUS) impact in Ohio.

Feedstuffs - included Carol Keiser commentary 'Music to their ears' in Feb. 19 edition.

Feedstuffs - weekly and FoodLink e-letter included Carol Keiser column 'Antibiotic debate needs good dose of judgement' Jan. 18.

Food Farming Australia - 'Move to protect strategic cropping lands' by Jeff Bistrup Sept. 12.

Forbes Magazine - Terry Wanzek and John Reifsteck quoted in "The Planet Versus Monsanto" in Jan. 18 edition.

Get the Facts From Farmer Gene - 'Biotech Papaya Sells Itself' posted May 5, an interview with Ken Kamiya during BIO 2010.

Grand Forks Herald - Terry Wanzek's 'America must play by trade rules, too' Mar. 27.

Grand Forks Herald - 'Biotech's next miracle: Cold-tolerant crops' commentary by Terry Wanzek Feb. 23.

Humane Watch - referenced Kleckner's Apr. 2 and 7 columns in 'HSUS Offends Iowa Journalists, Lays Giant Egg' Apr. 7.

Iowa Farmer Today - used Kleckner commentary 'Attack on atrazine threatens U.S. farms' June 9.

Iowa Farmer Today - 'Former Farm Bureau chief remains agriculture advocate' Feb. 24 profiled Dean Kleckner.

Iowa Farm Bureau Spokesman - Ross Korves analysis in the Dec. 15 edition, 'Economic benefits are clear, but FTA's always get tangled in politics'.

Iowa Farm Bureau Spokesman - Nov. 24 front page article on Global Roundtable 'Advances in seed, equipment help farmers fight hunger' quoted Pam Johnson and Gabriela Cruz.

Iowa Farm Bureau Spokesman - Kleckner column used in Nov. 10 issue as 'Leadership needed to pass free trade agreements' and referenced publication in The Washington Times.

Iowa Farm Bureau Spokesman - front page story and photo about Global Farmer to Farmer Roundtable in October 20 edition.

Korea-US Economic Council (KUSEC) - posted Burrack column 'We Need a Grand-Slam Trade Agenda' Aug. 3.

KWMT Radio, Fort Dodge, Iowa - Von Kettleon interviewed Dean Kleckner Aug. 19 at the

Iowa State Fair about international trade issues.

The Land (Australia) - Jeff Bidstrup quoted in 'NFF stays out of super tax fight' on May 31.

New York Times - Bill Horan quoted in 'Strong Exports Lift U.S. Agriculture Sector' Aug. 31. Ross Korves also interviewed Aug. 6 about the Russian wheat situation.

Noticias - July edition of Portuguese agricultural publication had story 'Aposolo em Bruxelas - pela liberdade de utilizacao de GM's' on Gabriela Cruz and Joao Grilo presentation in Brussels.

National Public Radio, Marketplace (NPR) - contacted Mary Boote for background following the National Research Council report on April 13.

Panorama - Italy's leading weekly news magazine interviewed John Rigolizzo at his New Jersey farm for the story 'Vita con gli OGM' in March 15 edition.

The Post (Zambia) - 'Mumbwa woman farmers gets award for record yield' Oct. 11 featured Sarah Munalula - 2010 Global Roundtable and World Food Prize panelist.

Prairie Farmer - January edition included 'Tech does more than reduce overlap' with quotes and picture of John Reifsteck.

The Press and Journal (UK) - 'Argentine growers eye Scottish malt barley market' Feb. 5 based on speech by Jim McCarthy (2009 Kleckner Award).

Press Trust of India - V. Ravichandran quoted Dec. 9 in 'Sharad Joshi blames Ramesh for no to GM crops' - news service piece distributed widely, included **The Business Standard, The Financial Express, indianexpress.com; Yahoo!News India.**

Queensland Country Life (Australia) - quoted Jeff Bidstrup June 18 in 'Is this Qld's farming future?'

RFD, Illinois Farm Bureau Radio - Kleckner did live radio interview June 29.

The Scotsman (UK) - 'Irishman Scotches Ban on GM Crops' Feb. 5 based on speech by Jim McCarthy (2009 Kleckner Award).

Stateline Midwest, The Midwestern Office of the Council of State Governments - February 2010 edition includes featured quote from Terry Wanzek in the Agriculture & Natural Resources section - 'Interest in sustainable agriculture puts pressure on states, producers'.

Sky News - Gabriela Cruz (Portugal) interviewed for January television and internet piece. She was the only non-British farmer interviewed and indicated they were intrigued by her being pro-conservation (reduced/no-tillage) and pro-biotechnology.

SPEAKING, ORGANIZATIONAL & OTHER ACTIVITY

2010 Kleckner Trade & Technology Advancement Award - given annually starting in 2007 to a farmer who promotes technology as a tool choice to improve the quality, quantity, and availability of agricultural products around the world, for 2010 the TATT Board of Directors selected Gabriela Cruz from Portugal (CropLife Asia, Save the soil).

2010 Global Farmer to Farmer Roundtable - hosted by TATT, this year sponsors include the Council for Biotechnology Information, CropLife International and the National Corn Growers Association. The gathering of international farmers from each continent will hold its roundtable discussion on Tuesday and Wednesday October 12 and 13, in conjunction with the World Food Prize Symposium at the Downtown Marriott in Des Moines, Iowa.

2012 Presidential Candidate Trade Tracker - an initial tracking of statements on trade made by potential 2010 Republican candidates was distributed on Sept. 20, and more regular tracking continues as warranted by activity.

TATT Trade Tracker - updates sent regularly. For more information contact Mary Boote (mboote@truthabouttrade.org).

American Farm Bureau Federation Annual Meeting - Dean Kleckner attended January 9-13 in Seattle, Washington.

APOSOLO, Portuguese Association of Conservation Agriculture - Global Farmer Network members Gabriela Cruz and Joao Grilo met with a MEP on biotech in Brussels July 12, and also made a presentation with a Romanian, Spanish, and Portuguese delegation.

Asian Farmer's Regional Network (ASFARNET), 2nd Regional Agri-Biotech Conference (Philippines)- Rosalie Ellasus gave her first hand experience in using biotechnology May 20.

Biodiversity World Tour: Iowa State - Iowa State University, CropLife International and TATT partnered on the virtual Town Hall event Oct. 12 at the campus. It included three TATT Global Farmer to Farmer Roundtable participants (Camila Illich, Brazil; Rajesh Kumar, India; Pam Johnson, US) and two experts on biodiversity and agriculture in addition to the facilitator and noted broadcaster, Orion Samuelson. Special guest US Secretary of Agriculture Tom Vilsack made opening remarks and joined the panel for the entire event.

BIO 2010 Convention - Ken Kamiya (Hawaii, 2007 Global Farmer Roundtable) was a panelist on "How Public Perception Affects Adoption of Technologies that Help Feed the World" May 5 in Chicago, Illinois. Mary Boote also attended.

Bosnian Cochran Fellows - Mary Boote and Bill Horan met with a delegation from Bosnia interested in trade and trade policy on November 9 in Washington, DC.

Colorado Farm Bureau Annual Meeting - Ross Korves keynote speaker November 5.

Commodity Classic - Mary Boote, Tim Burrack, and Bill Horan attended event March 4-6 in Anaheim, California.

Department of Justice / US Department of Agriculture Workshop - John Reifsteck attended the final joint DOJ/USDA hearing in Washington, DC on December 8.

DOJ - USDA Workshop, Issues of Concern to Farmers - Dean Kleckner and Mary Boote attended Mar. 12 in Ankeny, Iowa. The TATT board held teleconference afterwards.

Des Moines Optimist Club - Mary Boote was invited and spoke to the organization on September 8 to discuss TATT and the Global Farmer Roundtable project.

15th Annual National Ethanol Conference (Renewable Fuels Association) - Carol Keiser attended 'Climate of Opportunity' February 15-17 in Orlando, Florida.

EU 2020 and Beyond - Gabriela Cruz at EuropaBio event Dec. 10 in Brussels, Belgium.

EuropaBio - Rosalie Ellasus (Philippines, 2007 Kleckner Award) invited to share her biotech experience in Brussels, Paris, and London during the last week of October; 2010 recipient Gabriela Cruz was also in Brussels. Cruz returned in December with others to meet with a few commissioners and the President of the European Commission.

Farm Foundation - Mary Boote, Carol Keiser, Hope Pjesky (2009 Global Roundtable) attended, "The Changing Contract Between Agriculture and Society" Jan. 7-10 in San Antonio, Texas.

Farm Foundation Forum - Obesity, Food and Ag Policy - Mary Boote and Bill Horan attended November 9 at the National Press Club in Washington, DC.

Farm Foundation - Dean Kleckner, Mary Boote and Carol Keiser attended June 3-5 in Winnipeg, Canada.

Farming Scotland Conference - Jim McCarthy (2009 Kleckner Award) spoke February 4 in Carnoustie, Scotland.

Garden Club - John Rigolizzo spoke to the Haddonfield Garden Club on March 9, "South Jersey Agriculture: What you should know from a farmer's perspective."

Global Harvest Initiative 2010 Symposium - Dean Kleckner and Mary Boote attended March 17 in Washington, DC.

Illinois Farm Bureau - Agricultural Leaders of Tomorrow - Feb. 18 Korves presented '95% of the World's Population Lives Outside the US: Where Are Our Customers?'

Liberty Institute - the head of the free-market think tank in India asked to connect to Rajesh Kumar after seeing his commentary in the Wall Street Journal Asia.

Middle School Discussion - a seventh-grade science teacher in Oklahoma contacted TATT for information on GM-salmon to use in a discussion her class was having on genetics.

National Policy Conference - Dr. Bob Thompson (moderator Global Farmer to Farmer Roundtable) was a panelist July 13 for "Session 2: Modern Agriculture: What is it? What stands in the way?"

North Dakota Sustainable Ag - Terry Wanzek was appointed to the committee and the first meeting for the group was July 19.

North Dakota State Senate - Terry Wanzek was re-elected to the District 29 seat.

2010 NDWCA Annual Meeting (ND Weed Control Assoc.) - Terry Wanzek on legislative panel of event held Jan. 12-14 in Mandan, North Dakota.

RFS2 & RINs Forum - Ross Korves (ProExporter) spoke at 'Greenhouse Gases, Life Cycle Analysis and Land-Use' June 3-4 in Houston, Texas.

TD Newcrest Agriculture and Fertilizer Conference - Tim Burrack was invited to be on a panel in Toronto on November 18.

USDA Economic Research Service - Ross Korves was asked to be an external contact for a five-year research review in the department.

USAID / USDA Int'l Food Aid Conference - Mary Boote attended event August 2-3 in Kansas City, Missouri.

USDA Agricultural Outlook Forum 2010 - John Reifsteck and Tim Burrack were both in attendance February 18-19 in Arlington, Virginia.

World Agriculture and Green Growth - Roberto Peiretti (Argentina) spoke December 7 in Paris on conservation agriculture.

World Food Prize Symposium, Borlaug Dialogue -three TATT attendees were asked to participate on symposium panels in 2010: (1) Rajesh Kumar, India - Oct. 13 -"Promoting smallholders as entrepreneurs and innovators" (transcript); (2) Sarah Munalula, Zambia - Oct. 14 - "Overcoming major constraints facing smallholders"(transcript); (3) Gabriela Cruz, Portugal - Oct. 14 - "Partnering with smallholders on strategies for food security.

World Food Prize, "The New Politics of Food and Farming" - The luncheon on Wednesday, October 13 was organized by CropLife International and TATT. The keynote address was by Robert Paarlberg of Wellesley College, author of Starved for Science and Food Politics. A leading food policy authority, he discussed the global food landscape and how agricultural policies impact food production and the world's farmers. The session also featured the presentation to Gabriela Cruz (Portugal) of the 2010 Kleckner Trade & Technology Advancement Award.

World Food Prize Laureate Announcement - Dean Kleckner and Mary Boote attended the 2010 Laureate announcement June 16 in Washington, DC.
